PANELISTS

BRENDAN GAVIN

Intellectual Property Senior Counsel
Vertex Pharmaceuticals, Inc.

BRENDAN GAVIN is a patent attorney and recent addition to the Intellectual Property Group at Vertex Pharmaceuticals Incorporated. He has worked for more than 12 years in the field of patent law, with a focus on life science subject matter. Brendan has experience working on a variety of intellectual property issues, including worldwide patent portfolio development, freedom-to-operate analysis, patent prosecution, due diligence and litigation support. All views expressed by Brendan during the panel discussion are his own and do not necessarily represent the opinions of any entity with which he has been, is now or will be associated.
