

**JESSICA DONOHUE**

Global Executive & Board Director  
State Street

**JESSICA DONOHUE** has over 20 years of experience in the financial services industry. Prior to her current role as EVP and global head of the Asset Owner Segment for State Street, she led the Global Clients Division (GCD), which is responsible for building strategic relationships with State Street's largest and most complex clients. Jessica was previously responsible for State Street's specialized services, including performance and analytics, investment compliance, financial reporting and treasury services. Prior to that Jessica was global head of Performance and Analytics, responsible for operations, service and product. She has held teaching positions at Brandeis University and University of Minnesota. Her research has been published in the *International Economic Review*, the *Emerging Markets Review* and Finance Research Letters. She currently sits on a number of private and nonprofit boards, including FNZ Trust Company, Berklee City Music Advisory Board, which provides educational opportunities for talented youth in underserved communities, and All In Together, which encourages women to engage in America's civic and political life.
