

Kristen B. Sullivan, Partner
Deloitte & Touche LLP

Kristen B. Sullivan is a partner and leads Deloitte & Touche LLP and Deloitte Touche Tohmatsu Limited's (DTTL) Sustainability Risk Advisory and Assurance services, working with clients to help address their sustainability disclosure needs. Kristen also serves as the DTTL Americas Region Sustainability Services Leader. Kristen brings extensive experience in sustainability risk assessment, reporting and assurance.

Kristen also leads Deloitte's Supply Chain Social Compliance services with a particular focus on Conflict Minerals advisory and assurance and anti-human trafficking compliance. She brings specialized insights to these regulatory reporting requirements from her previous area of focus on Regulatory & Public Policy Matters for Deloitte, recognizing the broader policy as well as the compliance implications of environmental and social issues to corporate brand and reputation.

Kristen serves as a member of the Global Reporting Initiative (GRI) North America Advisory Council, the Sustainability Accounting Standards Board (SASB) Assurance Task Force, the Sustainable Stock Exchange (SSE) Initiative Corporate Working Group, and serves as Chair of the AICPA Sustainability Task Force and member of the AICPA Materiality Task Force. She also served on the International Integrated Reporting Council (IIRC) Working Group. Kristen has authored a number of publications around the value of sustainability and non-financial disclosure and assurance, including conflict minerals and anti-human trafficking disclosure.

Kristen has over 20 years of experience with Deloitte. Kristen is a CPA (CT, MO), CGMA and is GRI certified. She began her career with Deloitte in the Audit and Advisory services practice. She has also served in Deloitte's National Office in several different capacities and served in a role working with the deputy CEO of Deloitte LLP focusing on regulatory and public policy matters.

Kristen serves as a member of the Eureka College Board of Trustees, the Stamford 2030 Advisory Board, and the Financial Women's Association.
